MEMORANDUM FOR: Assistant Director for Personnel.

SUBJECT : Nominations for Security Hearing Boards.

REFERENCES : a. Memo dtd 15 Feb 54 to AD/P fr A-DD/A, sub: "Security Hearing Board Roster."
b. Memo dtd 26 Mar 54 to D/DOI thru A-DD/A and AD/P fr D/SEC, sub: "Nominations for Security Hearing Boards."

1. In reference a. I related the circumstances under which the Director requested that the Office of Personnel maintain the CIA Security Hearing Board Roster and the Deputy Director requested that we increase the number of personnel on this Roster.

2. I am sure that neither the Director nor the Deputy Director intended in any way to jeopardize security and would be agreeable to any suggestion which would avoid a burden on a relatively few people and, at the same time, provide for proper security.

3. Contrary to paragraph 5 of reference b., I had understood that these arrangements had been satisfactorily made with the Civil Service Commission. If this is not the case, we should advise General Cabell without delay and, at the same time, give him recommendations as to how we are going to operate this Roster.
